

# ECONOMY SEED AND SUPER UNIT

## IDEAL FOR SMALL COMBINES QUICK UNLOADING & CLEANING SEPARATE DISCHARGE AUGERS & SPOUTS

Both Augers are hinged and fitted with over centre catches for ease of transport. Each bin is fitted with a large sliding trapdoor at the bottom for quick unloading and cleaning. Powered by a 6 h/p manual start motor, with an option of electric start. Both augers are lined with PVC to prevent super build up. Simple belt driven augers with no cross augers or gears to cause problems. Painted interior
